**Welcome**

Welcome to Waltham High School, home of the Hawks!

Waltham High School is located ten miles west of the great city of Boston, MA. In a community full of history and pride, our 1,500+ students learn from a dedicated staff of over 130 teachers. Students at our comprehensive high school have a myriad of opportunities to be involved in their learning through career & technical education pathways, the fine and performing arts, STEM electives, athletics, and more.

Please note some features on our new website: student/parent portal login, calendar of events, and information for our families.

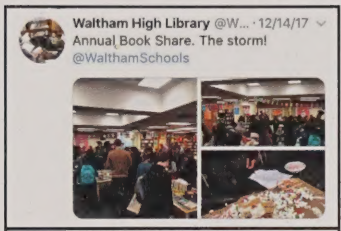
# @followus

Throughout our four years of being high school students, social media has influenced our class as a whole. From sports games, to academics, to activities after school, #followus helps students get involved. The values of Waltham High School will #followus throughout our journey into higher education and/or our careers.

This year, ChromeBooks have been distributed to all grades in the middle schools and high school. The class of 2018 was sadly exempt from this roll-out. The yearbook cover and theme were designed so seniors could finally get their own personal "ChromeBook." When the seniors are handed their yearbooks, they will finally understand the feeling of owning their own personal "ChromeBook" and can continue to #followus and follow each other after graduation!



**Waltham High Library** @W... · 12/14/17

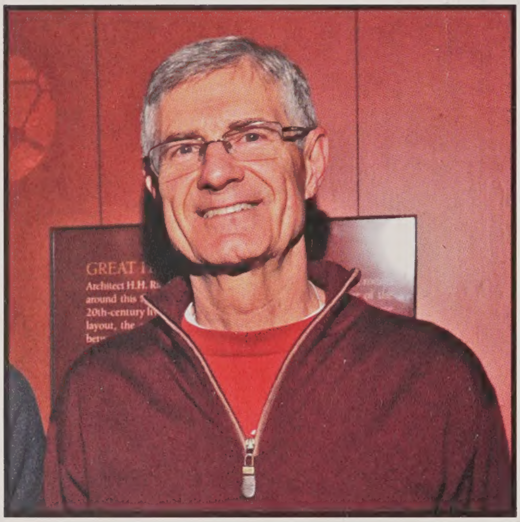
IID YEAR EXAMS
Living

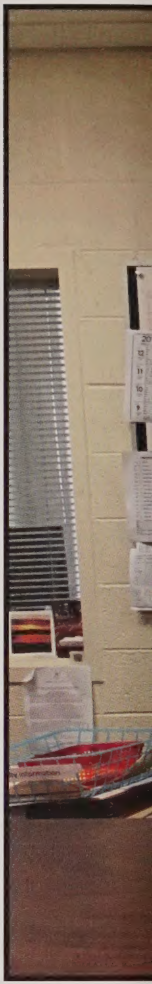
Ms. Cohen has been the advisor for the yearbook for three years. Her efficiency and organization has impacted the yearbook so that it represents the senior class as a whole. The planning and creativity is overlooked too often and we would like to thank Ms. Cohen for creating a yearbook that we will keep forever. #buyayearbook



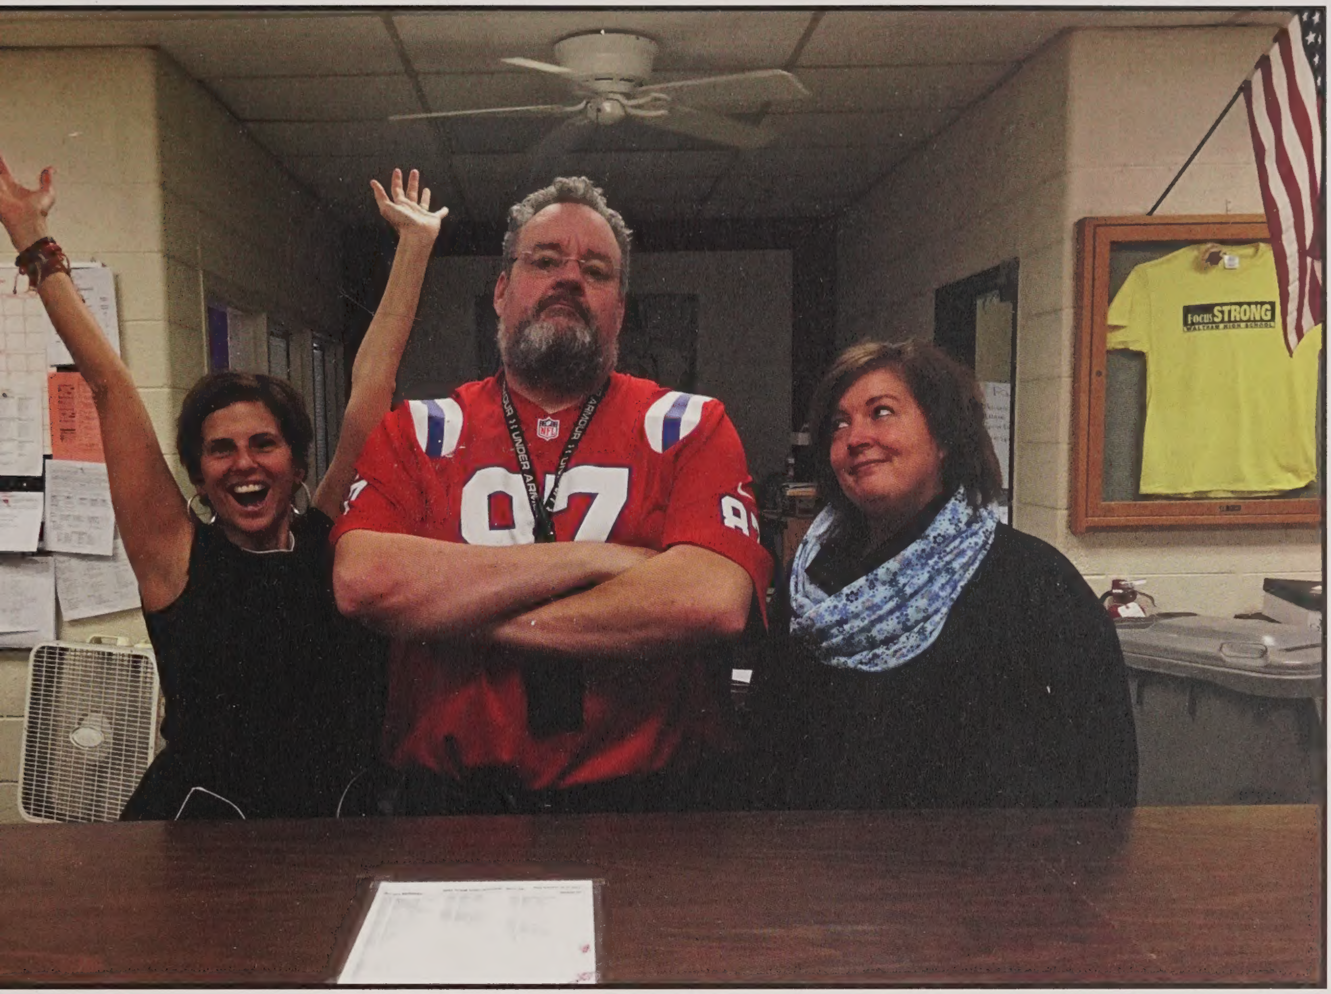
Mr. Cox has been an important asset to Waltham High School for the past 37 years. His passion for teaching is evident to his students. His devotion to making history interesting separates him for others. As the NHS advisor since 1983, he has held many events such as the NHS Halloween Party, Senior Social and Senior Dinner that are memorable to the NHS students and the senior class. We would like to recognize him for being a teacher to remember. #theoriginalmrwaltham

ITTLE
OF
HORR

Deb Finnell has been dedicated to her students for the past 36 years and we would like to thank her for all she has done for us. Senior Revue and other performances directed by her have been memorable experiences that will be remembered for the catchy songs, creative dances and organized rehearsals. #yayyou



# We would like to thank...



Mr. Gelinas has been an incredible mentor for the class of 2018 throughout the last four years. From his daily Snapchats, to his weekly donuts, Mr. Gelinas has made an effort to connect with students and create a bond with his class. His guidance has led the members of the class of 2018, to transform from adolescence to young adults. Mr. Gelinas attends almost every school event from football games to playing a role of "Mayor of the Munchkin City" in Senior Revue. Thank you for inspiring us everyday. #beawesometoday

Mrs. Snider has had an important role in guiding the senior class through our high school careers. She has made an effort to get to know every student and say hello whenever she sees them. Her role as Glinda in Senior Revue was a good fit because of her kind-heart and willingness to be a part of our lives in school. #donttellmeifitsbad

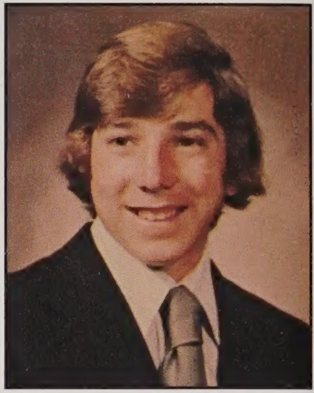
Mrs. Landry has created a welcoming environment in our house office. She helps make things go smoothly and is someone you can count on to resolve issues. Her involvement in our class is the reason we would like to thank her. #secretarygoals

# Coach Maguire

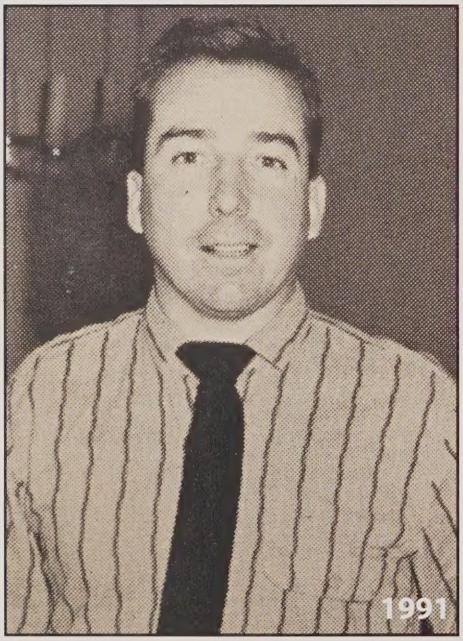
The yearbook staff would like to dedicate the 2018 Mirror to Coach Maguire. Coach Maguire has been Waltham's head hockey coach for 33 seasons. As a lifelong Waltham resident, beyond coaching hockey, Coach Maguire teaches at the high school. His retail and business classes are productive in making the Hawks Nest filled with merchandise and they come up with new ideas for the superfans apparel. Coach Maguire also taught a Leadership Seminar to a group of hardworking students. The class educated students about what it takes to be a leader and talked about real life examples of strong character in athletes, political leaders and coaches. Coach Maguire leads his team in frequent volunteer work in our community. Not only does he coach hockey but he spent 23 years coaching girls soccer and another 13 coaching junior varsity baseball.

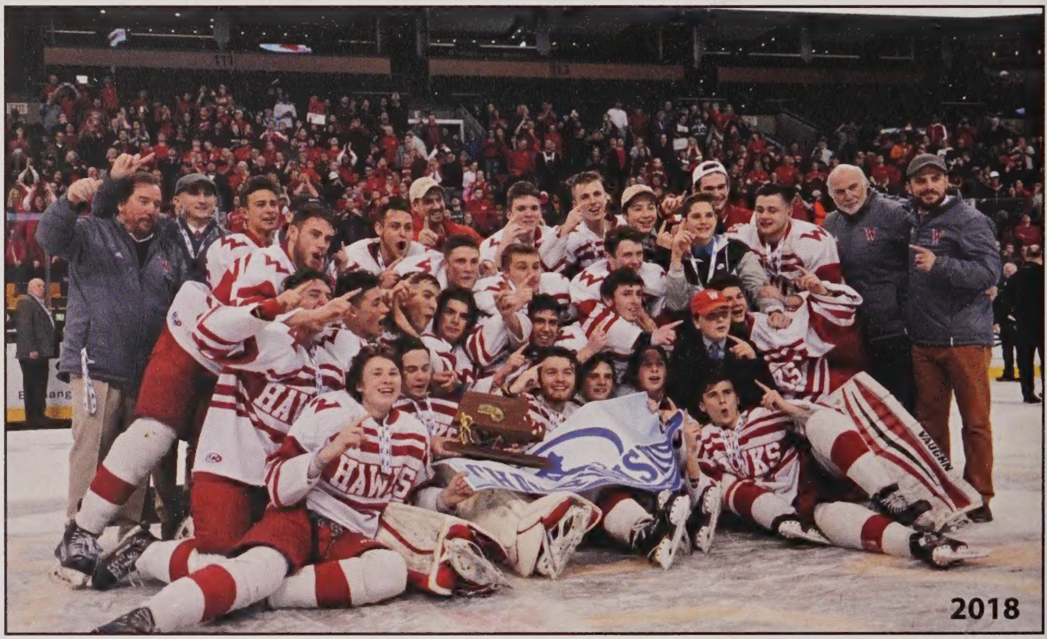
Coach Maguire completed his last year at Waltham High School with a victory in the Division 1 Hockey State Tournament, his program's first appearance in the Division 1 state finals in 16 years. His team came out victorious with a 4-1 win over Marshfield at the TD Garden. It was an astonishing season to mark the end of his career. While he will no longer be teaching at the high school, Coach Maguire intends on continuing coaching the boys varsity hockey team into many more victories to come.

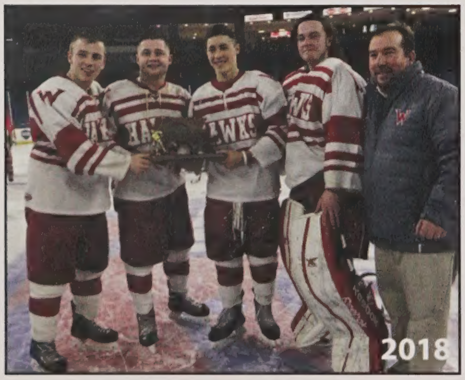
Thank you Coach and congratulations on your retirement!

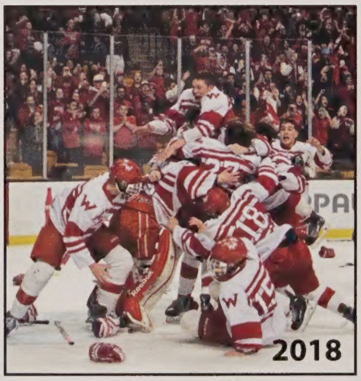


**Mr. John Maguire,**
**Waltham High School**
**Class of 1977**









# Mr. DeMeo

**Mr. Gregory DeMeo, Waltham High School Class of 1978**

The yearbook staff would like to dedicate the 2018 Mirror to Mr. DeMeo. Mr. DeMeo is, and has always been, a proud member of the Waltham Community. He grew up in Waltham and is a product of the Waltham Public Schools, graduating in 1978. His high school track coach, Lee Gould, influenced him to become a teacher rather than an engineer by saying that teaching is the noblest profession. Mr. DeMeo taught Technology Education at Walpole High School for 13 years and loved it. Teaching and coaching had him hooked and he knew it was his calling. He applied for the open housemaster position at Waltham High School in 1996, and his advancement in administrative positions took him from housemaster for six years, to becoming the Director of Career and Technical Education for eight years, and lastly he has held the position of Principal of Waltham High School for the past eight years. That totals 22 years as an administrator in Waltham!

Waltham High School is very fortunate to have had Mr. DeMeo in these roles. He has accomplished much in his career, while being a very humble and modest leader. Just a few of his accomplishments include doubling the number of students enrolled in an Advanced Placement course and tripling the number of AP tests our students take while outperforming state and global averages on 13 different AP tests in 2017. He was honored by the College Board as one of only 25 districts in the Commonwealth who has worked to significantly increase student participation in AP scores, improve outcomes on AP tests and increase the number of students from historically underrepresented groups entering AP coursework. Additionally, Mr. DeMeo increased the percentage of Waltham High School graduates who attend college and, for the first time, sent a higher percentage of our students to college than the state average!

Thank you for your service, Mr. DeMeo! You will be remembered for years to come!

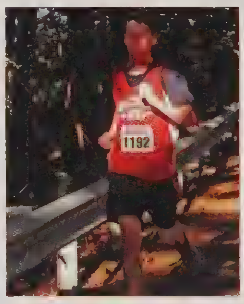
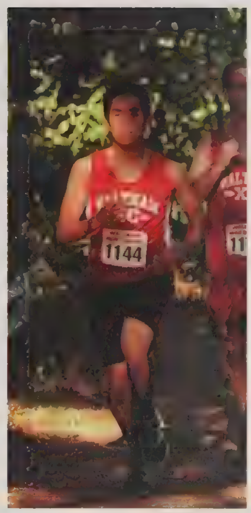
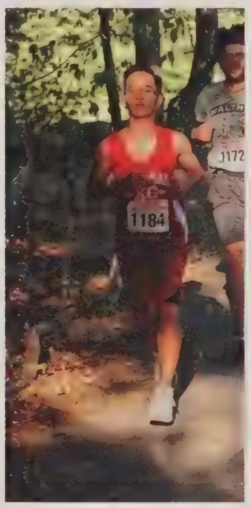
Cydney Abnet, William Alarie, Mohamed Aljundi, Joseph Blaha, Evelyne Corado, Caroline Crowley, Tolbert Kabali, Christopher Kelleher, Breah LaForest, Anna Lourie, Paul Magliarditi, Tyler Mailman, Aaron McKinney, Gabriel Millan Jr., Shuta Mogi, Peter Nguyen, Ryan O'Connell, Iraklis Pagounes, Judith Lin Piantedosi, Xavier Quintanilla, Philip Ranucci Jr, Lawrence Sexton Jr, Madison Wan, Roberto Baez



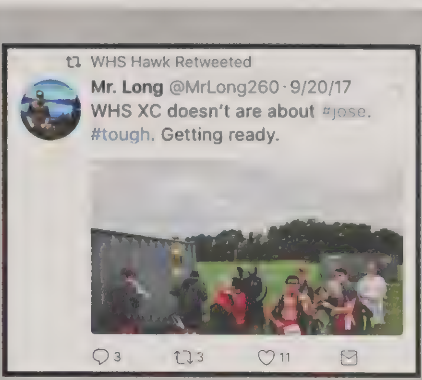
The cross country team has worked hard this season. Every runner put forth a lot of effort to represent the Waltham Hawks lead by Coach Long. They seemed to never give up and never stop running. Everyone pushed hard and it payed off with times improving and people hitting their personal records.

Peter Nguyen, SR
"Our team was less experienced and in general not up to par with the other teams in the league, we never got discouraged. Losing never deterred anyone but it came as an incentive to work harder."





Shuta Mogi, SR
"I would like my team to be remembered as a team who cared about each other and always stayed positive no matter what."



WHS Hawk Retweeted
**Mr. Long** @MrLong260 · 9/20/17
WHS XC doesn't are about #jose. #tough. Getting ready.

# #football

Prideful, dedicated and motivated, the Waltham Hawks conquered the field with hungry athletes, themed games under the lights, and devoted superfans. This year the Waltham Hawks took a win against Newton North for the first time since 2011, and all through the game, they played with nothing but heart and pride. The Hawks also scored victories over Cambridge, Westford Academy, and Reading.

Jonthan Vass, SR
"We stand by each other's side through wins and losses. I am so proud to be able to lead these players on the field every Friday night. My team is one of the toughest to come through Waltham High School."

Mark Wills, SR
"The team spends a lot of time together on and off the field, from 3 hour practices or team dinners to bond with the boys. We are always together, win or lose we keep coming back day in and day out trying to get better for each other and ourselves."

Head Coach: John Bourque, Christian Gomez, Nicholas Caliri, Sevag Aboyan, Kyle Torres, Derek Williams, Jonathan Vass, Samuel Bowler, Breno Rodrigues, James Falzone, Anthony Moores, Mark Wills Jr., Frankie Meuse, Jack Duffy, Liam MacNeil, Jared Ford, Aramis Melikian, Anthony Davis, Devin Manganelli, Garrett Warren, Raphael Liautaud, Stevenson Youyoute, Alex Sebunnya, Evan Clark, Thomas Devlin, Andy Laguerre, Michael Cannistraro, Michael Scafidi, Luke France, Matthe Johnson, Jarred George, Cristian Cabral, Daniel Mendez, Feguens Bienaime, Jeyson Lopez, Calvin Cononi, Fednor Drewry, Allan Sekandi, Ryan Jeune, Malik Henderson, Rick Cezaire, Michael DeGouff, Aroldo Palacios, Robert Hough, Michael Clougher, Andrew Robbins, Diego Ortiz, Robby Schiavone, Justin McCullough, Nicholas Samios, Carl Renaudin

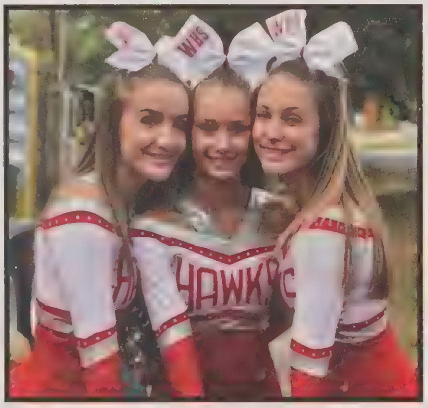
# #cheerleading



The Waltham High School Football Cheerleading team consists of 31 girls. Their accomplishments extend well beyond the field. The girls were leaders throughout the school as well as in the community. Some of these events include the Melanoma 5K, Piggy's 5K, Waltham Youth Hockey Race To The Rink 5K, volunteering with the Belmont Special Olympics, participating in the Student Santa Program and holding Youth Cheer Clinics for the children of Waltham. These girls are student athletes and embody hardwork which is the key to their successes. They are powerful role models who put forth the effort to make a difference.

Alexa Attardo, SR
"Competitive, Determined and Diligent". Our team was able to overcome many obstacles this season, be respectful role models and help out around the community.

Tori Blanchard, SR
"Motivated, Adaptable and Consistent". I loved creating a bond with all of my teammates. The highlight of all four years cheering was being undefeated, winning Nationals and being named State Champions!

Alexandra Finnell, SR
"Determined, Hardworking and Competitive". Our countless hours of training really paid off when we won the State Championship!

**Competition Team:** Alexa Attardo, Tori Blanchard, Jadyn Bourque, Giulia DiGenova, Lauren Ellison, Alexandra Finnell, Gianna Fusco, Grace Gullotti, Lauren Irving, Courtney Kohler, Jessica Lombardi, Elizabeth Madden, Julianne Mola, Vanessa Robinson, Arianna Szydlowski

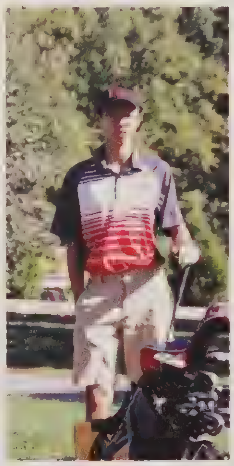
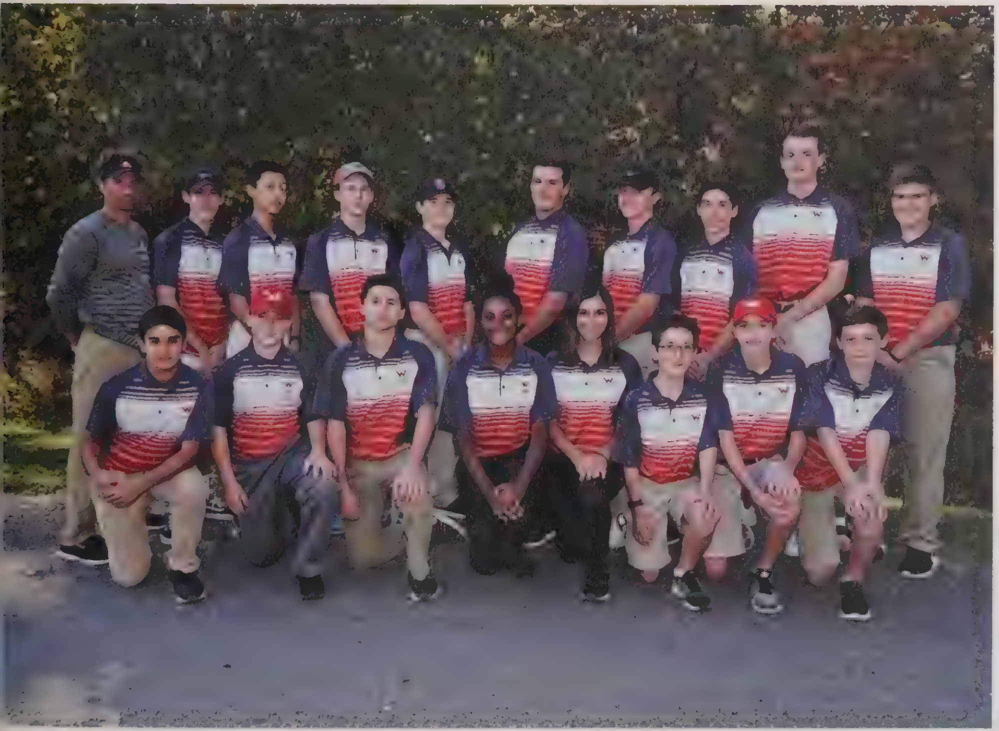
Teeing off the year with a win in their first match against Cambridge, the Golf Team had year of many firsts. It was the first year with a JV team who won two matches against Cambridge and one against Weston. Additionally, the first annual Student-Faculty Golf Tournament was held at home course Leo J. Martin where students and faculty were paired up in a shotgun scramble.



Billy Sameski, SR
"The team this year was funny, athletic and exciting. I want the varsity golf team to be remembered for the amazing comradery we had and how we worked together through every match."

Brett DiStasio, SR
"This year the varsity golf team had a very close bond, we were resilient and very determined. I want the team to be remembered for having good sportsmanship and getting better together as a unit."



Head Coach: Russ Sorin, Ty Mancuso, Steven Lam, Robert Dimaggio, Derek Mullane, Brett Distasio, William Sameski, Shawn Ventura, James Giugno, Andrew McDonald, Nareg Aboyan, Devin Sorin, Alexander Miller, Leah Jones, Gina Herosian, Brady Mullin, Matthew Cercone, Timothy Meuse,

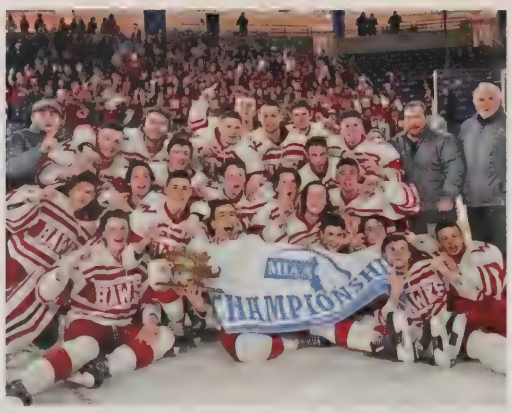
# #hockey



The hockey team brought "the storm" this season. With 13 members of the Class of 2018, the team had great success. During the regular season, the team beat Central Catholic at home leaving the Hawks undefeated at their home rink. The hockey team made it to the finals of the State tournament this year taking down Belmont, Medford, Winchester and Marshfield along the way. By defeating Marshfield, the boys claimed the title of Division 1 North State Champions for the first time in 16 years. The bond between this team has allowed them to succeed and it has been a season to remember.

The boys track team was full of determined and smart athletes. These men dedicated themselves to the sport, and put their bodies and minds to the test. They put their all into practices as if they were their last. This was the first year of Indoor Track for many of the boys, and their determination to succeed was very clear. Coach Christopher Ward made sure to challenge and push every single on of them so they could be the best version of themselves.

Donald Noudjom, SR
"This is a very competitive and supportive team. A highlight of this season was qualifying for states. Everyone put in a lot of effort into our meets and practices and I'm proud."

Jonathan Vass, SR
"This team is competitive and motivated. We're always pushing each other to run faster, jump higher or throw further. I want us to be remembered as a hardworking group of men that won't back down to a challenge."

Shuta Mogi, SR
"I'd descibe my team as young, talented, and a family. A highlight of the season was when I broke my personal record for 55 meter dash."

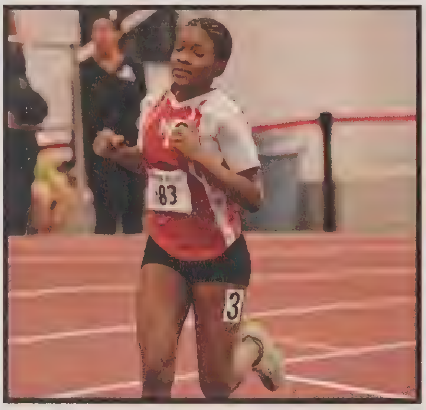
# #track



Throughout the season, the team has only been dedicated and willing to work hard for success. Coach Francois Joseph has motivated the girls and gives each girl their undivided and individualize attention despite of their differences. During each practice and game the encouragement and work ethic makes the team even closer. Each individual player comes with a positive, competitive attitude and high goals for success as a family. First win of the year against Wayland was the most memorable.

Melannie Cano, SR
"Our uniqueness and how we're all able to work on our individual strengths while also working together and supporting each other as a team. We stand out, we do a lot of thing that many other sports don't do."

Elena Kelley, SR
"I want to remembered for supporting my teammates. I enjoyed supporting the underclassmen and providing advice whenever I could. "

Michela Platt, SR
"Our team is one of the most diverse in the school however, we all got close with each other throughout the season. Our whole team got along extremely well and we were like a family at every practice and meet together despite our differences."

Head Coach: Francois Joseph

## 3D Gaming

The 3D Gaming Club meets weekly to discuss games, play games, and work on game development.

## Anime Club

Anime Club is an organization that meets weekly after school to appreciate the art of Japanese cartoons. Workshops are held to learn about Japanese culture, art, and games. We also hold events that have been inspired by our members, including our annual human chess game.

## Armenian Club

The Armenian club is a group that meets to discuss Armenian culture, customs and traditions.

## Art Club

Members of the Art Club participate in a variety of Art related activities, such as trips to galleries and museums. They are often creating masterpieces after school in the art room.

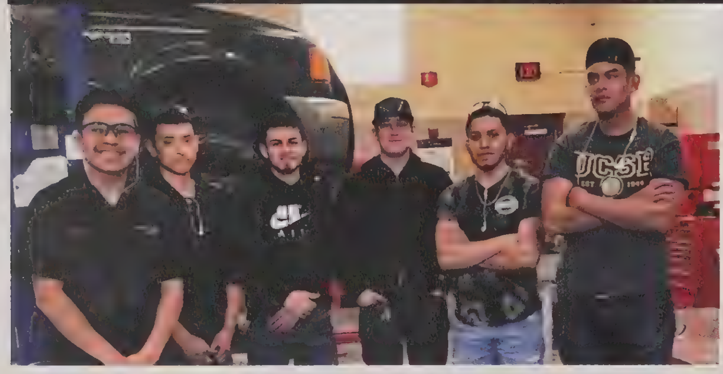
# Automotive Technology

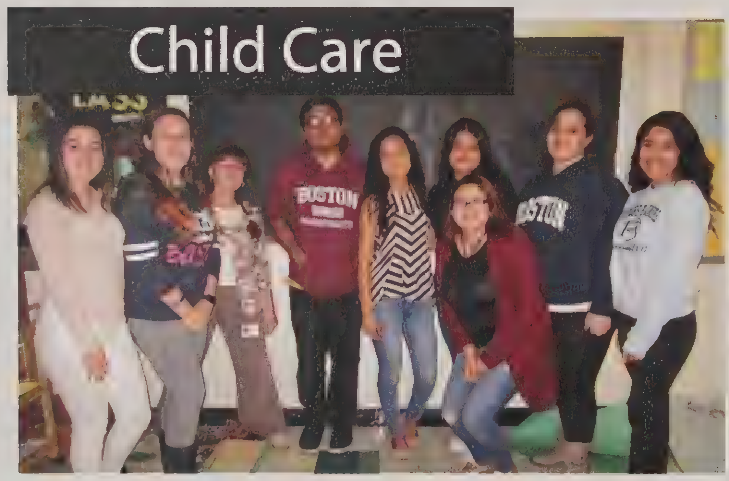


The automotive mechanic is an important worker in our society. The ability to make a fast and accurate diagnosis of automotive trouble is one of the mechanic's most valuable skills. It requires good reasoning ability, as well as a complete working knowledge of automobiles. Automotive mechanics earn high salaries while working in a field that is challenging.

# Carpentry

Carpenters work with one of America's greatest natural resources - wood. A good carpenter knows the best type of wood for a given job. Maple, oak, cherry, pine, or mahogany - each has its own unique strength and application from framing a house to building a park bench. Our program concentrates on building skills and working in harmony with others to insure your future success in this high-demand occupation.

# Child Care



Caring for children is one of the fastest growing professions in America. These courses provide students with a basic understanding of the physical, social, emotional, and intellectual growth of the young child from birth through preschool. Students who are interested in early childhood education, nursing, psychology, etc., would benefit from the material presented in these classes.

# In Recognition: Mr. McCarthy

Waltham High School and the Career and Technical Education Department would like to recognize Mr. Wayne McCarthy for his continued efforts and contributions to the Waltham community. Mr. McCarthy has always been willing to help with projects around the school. He provided the graphics in the main foyer of the former WHS building. As the co-president of the Waltham Historical Society he did research for identifying former principals and funded the framing of the principal's portraits. He has created a variety of graphics around the building posted above lockers, with his classes he created a modern logo for the CVTE programs and Waltham Public Schools stationary, he helped design the legacy wall display, and he's been the creator of various publications for WHS. He has taken many students under his wing and given them real life skills and confidence in themselves. Congratulations on your retirement Mr. McCarthy. Waltham High School will miss you!

## Collision Technology

The auto body specialist faces the challenge of repairing damaged cars, trucks, boats, and airplanes. The ability to take a damaged vehicle and restore it to its original condition provides a great deal of pride and satisfaction. The collision technology program has been designed to help the student obtain marketable skills.

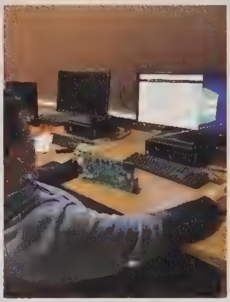
## Electrical

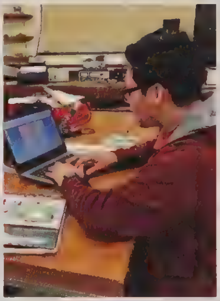
An electrical student will be given a factual interpretation of the electricians' role in the construction industry, with emphasis on safety procedures and trade practices. The student will acquire an understanding of the skills and knowledge required to specialize as an electrical tradesman and will acquire an understanding of state and local code and related technical data.

THE NORTH FACE

# Electronics

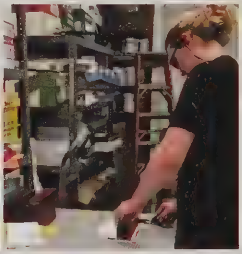
The Electronics Technology Program prepares students to enter the diverse and lucrative industry of electronics as a technician by applying scientific principles of electronic devices and circuits leading to practical computer, telecommunications and robotics systems outcomes using state-of-the-art equipment, materials and processes.





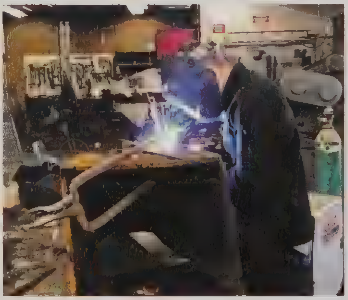
# Graphic Communications

These classes will expose students to the exciting fields of design and print. Students will use Adobe Creative Suite of software on both Mac and PC to create personal stationary that includes notepads, business cards, and letterhead. The role of design in delivering communications will be discussed and explored. Exposure to the print shop environment and equipment is an exciting part of the course, and allows students the hands-on experience of operating printing and finishing equipment in the production of their designs.

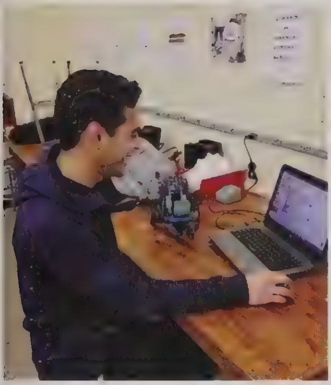


# Metal Fabrication

Metal Fabrication involves the forming, joining, and cutting of metal. Students learn arc welding, resistance welding, brazing, cutting and heat-treating and metallurgy. Cutting techniques learned include gas, arc, Mig, Tig, and pipe welding and plasma and gas cutting. A significant part of instruction takes place on real-world projects in the shop, and involve hands-on, practical experience.



# Congratulations, Brandon Zuniga!
# CTE Student of the Year



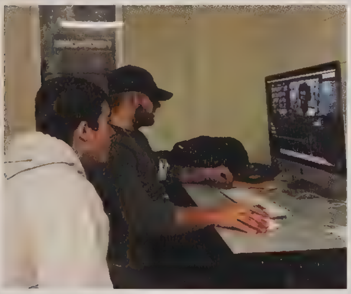
Brandon's passion for technology began when he was first introduced to Gameboy Advanced SP. Before entering high school Brandon spent the majority of his time learning about electronics through gaming, online videos, and learning the components to build a computer. As a ninth grader Brandon recalls one class in particular that engaged him, Electronics.

Over the next four years of building his knowledge in the Electronics Program at Waltham High School, Brandon excelled in his Career and Technical Program, being involved in extracurricular activities and working at his Co-op placement at Liberty Engineering Inc. He has taken a rigorous course of study, is a member of the National Honor Society, Entrepreneurship Club, the Spanish Club and a member of the Waltham High Soccer Team. He is currently developing a program for the Vex Robot and is a tremendous help to his teachers and fellow students. Brandon is excited to take his next step in pursuing a career in Electrical Engineering at the University of Massachusetts in Lowell. Congratulations Brandon!

---

## T.V. Broadcasting

The Television Broadcasting program at WHS is a Massachusetts DESE Chapter 74 Career and Technical Education program with a great history and tradition of quality student produced programming. Waltham High School has had a television studio since the opening of the existing Waltham High School in 1969. In 2009 the program became certified by the DESE after a rigorous application process. TV students are often seen capturing video of students and events throughout the year.

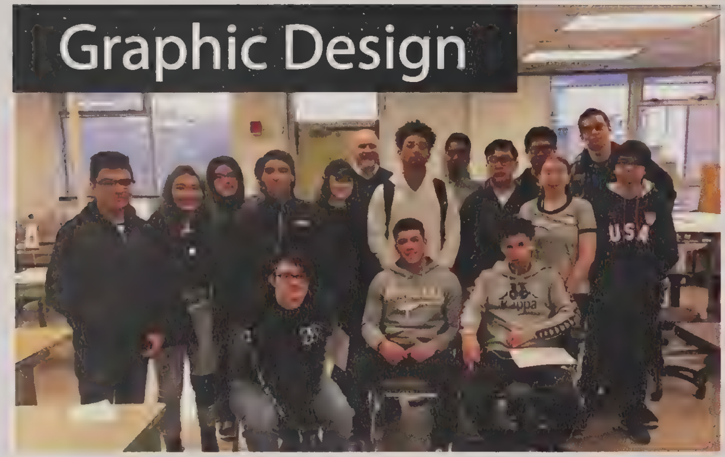


---

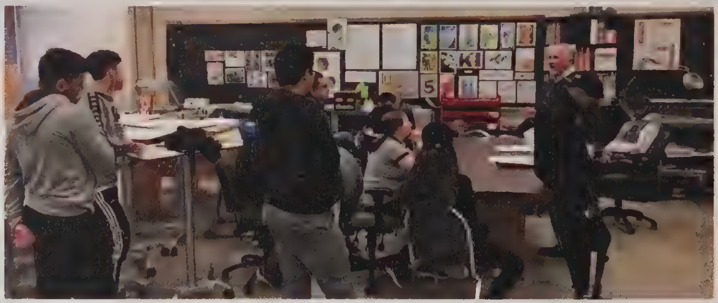
## Culinary Arts

The Culinary Arts Program uses a competency based industry relevant to curriculum to prepare students to work in a professional kitchen, bakery or other restaurant/hospitality industry career. Some projects this year included catering various school events, including meetings for administration, and various committees, the WHS Health Fair, the WEBF Foundation Fundraiser, and the Watch City Café.

# Graphic Design



Graphic Design, Advanced Placement Design, Digital Illustration and Advanced Illustration are classes that allow students to experience many careers in the Commercial Arts. This field is where artists go to get jobs, from designing magazines and DVD covers, to posters and toy package designs, Graphic Design is a career of communicating using visuals and text. Illustration is visual communication using only image, including book illustration, science fiction and fantasy illustration, comic books, graphic novels and children's books.



# Fashion Design

The courses available in Family and Consumer Sciences are offered to students in grades nine through twelve to fulfill a variety of student needs and requirements. All of these courses count toward Waltham High School's Practical Arts requirement. Fashion Design students can be found designing and creating current fashion trends as well as sewing pumpkins for Fall Fest and stockings for Student Santa.

SHE KILLS MONSTERS
BEWARE THE SMILING DUNGEON MASTER

A comedic romp into the world of fantasy role-playing games, She Kills Monsters tells the story of Agnes Evans (Anna Kraffmiller) as she leaves her childhood home in Ohio following the death of her teenage sister, Tilly (Alicia Duce). When Agnes finds Tilly's Dungeons & Dragons notebook, she stumbles into a journey of discovery and action-packed adventure in the imaginary world laden with homicidal fairies, nasty ogres, and 90s pop culture. This story is a heart-pounding homage to the geek and warrior within us all.

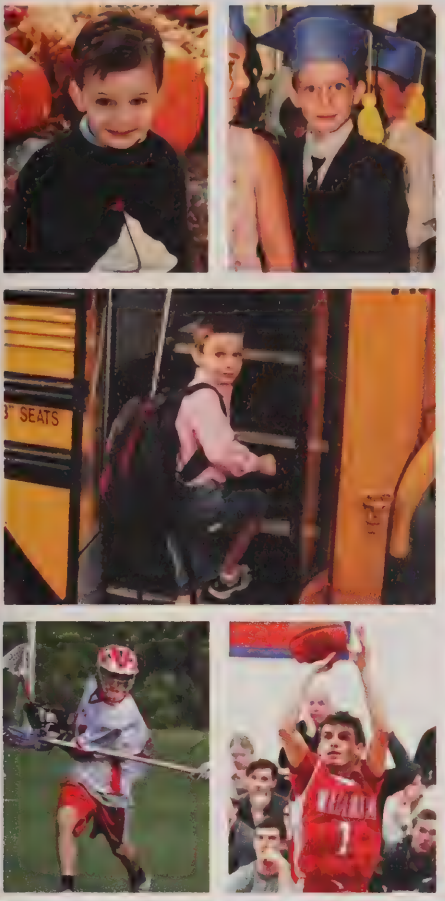
Love you, Mom xo

# Mackenzie Babstock

Our one and only Mackenzie Lee
To say we are proud of who you have become would be an understatement. Every day you make us smile. Thank you for being an amazing daughter and older sister. Your intelligence, beauty, strength, compassion, creativity, faith and love from your family and friends will give you all that you need in your next journey. Take time to enjoy what life has to offer, be true to yourself, always be kind and remember your path back home.
Love you to the moon and back.
You'll always be our Sunshine and Daddy's little girl!
Love, Dad, Mom, Bella, Hadley and Lily too!

I love you forever.
I'll like you for always.
As long as I'm living,
my baby you'll be.

– Robert Munsch
From the book Love You Forever



# Nick Noonan

Behind you are memories
Before you, your dreams
Around you, all who love you
Within you, all you need...
So you may "start out unknown
but finish unforgettable" -
Michael Jordan

We love you Nick!
Congratulations!
Mom, Dad, Ryan and Erin
